CHIEF HEARING OFFICER'S ACTION:

On May 12, 2022, DESC and CCEBA each filed petitions for reconsideration and/or rehearing of Commission Order No. 2022-329. SCCCL/SACE filed a partial petition for reconsideration in this Docket on the same date.

Section 58-27-2150 of the South Carolina Code of Laws provides that the Commission has twenty (20) days to decide a petition for rehearing or reconsideration. Otherwise, failure to act within this time period means that the petition is denied. Section 58-27-2150 states:

After an order or decision has been made by the Commission any party to the proceedings may within ten days after service of notice of the entry of the order or decision apply for a rehearing The Commission shall either grant or refuse an application for rehearing within twenty days, and a failure by the Commission to act upon such application within that period shall be deemed a refusal thereof.

S.C. Code Ann. § 58-27-2150 (2015). Due to scheduling conflicts with the Commission and state holiday, a schedule for the filing of a response and/or reply (if any) needs to be set so that all parties and interested persons may prepare accordingly related to the Petition.

The Petitions will be on the Commission's Utilities Agenda for its regularly scheduled business meeting to be held on May 26, 2022. Any Response to a Petition must be filed no later than no later than close of business (4:45 p.m.) on May 20, 2022. If a party or interested person intends to file a Reply, the Reply (if any) shall be filed no later than close of business (4:45 p.m.) on May 24, 2022.

This ends the Hearing Officer's Directive.
